from Tracy in the church office. **Many thanks to Larry Becker for his help on this project.**

**On Sunday, August 11, we will be having a morning of worship and sharing and activity,** all together as one group, so there will be no separate Sunday School classes (adults or children) on that morning. We will begin at 9:00 AM with a light breakfast in the Fellowship Hall and go from there. Plan to come, and invite others to join you!

**Thanks to all those who helped volunteer** at SEAK 2.0 this summer! We were able to make contact and build relationships with over 60 children and their parents in our neighborhood over the past 7 weeks as we ate lunch and played together over the lunch hour at New Creation park. The program will continue for the next week. A big thanks to Peace Connections for initiating this project and to Shalom Mennonite and New Creation for helping us to serve our community and show our neighbors God's love.

**The FMC Jail Ministry account** is in need of replenishing. There has been a higher than usual demand for new Bibles in the jails. If you are able and willing, please consider giving to this very important fund! Checks can be made out to FMC with "Jail Ministry" written in the memo line. Thank you!

**Prayer Places:** If you're interested in scheduling an extended prayer time in either the "upper room" balcony prayer room or in the Warkentin Room, please coordinate with the church office. We hope you will!

It is one small way we can share Christ's love with our neighbors. All kit supplies should be sent to MCC Central States 121 E. 30<sup>th</sup>, PO Box 235, North Newton, KS 67117. Questions? Please contact MCC at 283-2720.

**We would like to make available** to those who are interested old videos of the church celebration on February 10 and 11, 1990, and the New Directions Reunion on July 12 and 13, 1991. The original tapes were recorded on VHS tapes by Larry Becker, and now Larry has converted these tapes to DVD disks to play on a DVD player and digital flash drives that can be played on your computer or some smart TV's. A number of the pictures in the showcases were snapshots taken from the old tapes. The almost-30-year-old tapes have deteriorated some, and so the quality is not up to the standards we may be used to. You may check these out
